The Price of the Ticket: Barack Obama and Rise and Decline of Black Politics

By Professor of Political Science Fredrick Harris

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. The historical significance of Barack Obama's triumph in the presidential election of 2008 scarcely requires comment. Yet it contains an irony: He won a victory as an African American only by denying that he was the candidate of African Americans. Obama's very success, writes Fredrick Harris, exacted a heavy cost on black politics. In *The Price of the Ticket*, Harris puts Obama's career in the context of decades of black activism, showing how his election undermined the very movement that made it possible. The path to his presidency began just before passage of the 1965 Voting Rights Act, when black leaders began to discuss strategies to make the most of their new access to the ballot. Some argued that black voters should organize into a cohesive, independent bloc; others urged a more race-neutral approach, working together with other racial minorities as well as like-minded whites. This has been the fundamental divide within black politics ever since. At first, the gap did not seem serious. But the post-civil-rights era has accelerated a shift towards race-neutral politics. Obama...
