Fwb Publications, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.No one has all the answers to leadership. Nor do I. But the following pages are the guidelines that helped govern me during my years in attempting to manage people through the various roles of leadership. As the President of a publishing company, the principle that covered my leading, was: Do nothing merely because you love to, unless it be right, and wise, and good. Do nothing that you will have to deny you did. Do nothing that you will be ashamed of having done. Do right. Do unto others as you would that they should do to you. Be the best scholar you can be. If the following principles in this will help you in your leadership role, I would accomplish what I desired to do by leaving nearly 60 years of leadership to others.
