Dr. Ron Taffel, one of the country's most sought-after child-rearing experts, draws on decades of counseling experience and extensive conversations with parents nationwide to offer an original and inspiring analysis of the distinctive challenges parents face in raising children today. Dr. Ron Taffel, one of the country's most sought-after child-rearing experts, draws on decades of counseling experience and extensive conversations with parents nationwide to offer an original and inspiring analysis of the distinctive challenges parents face in raising children today. He also introduces a breakthrough approach for guiding kids from children to teens in ways that bring out the best in both kids and parents in these twenty-first-century times. With warmth and clarity, Taffel, who is himself a parent struggling with these issues, helps us to understand our sons and daughters in an entirely new way: as a distinctive free-est generation, born to the first generation of post-baby boomer parents and the products of a decades-long cultural sea change that intensified in the nineties. As a result, kids of all ages are now a bundle of contradictions: they exude...
