LIGHTNING SOURCE INC, 1989. Paperback. Book Condition: New. Expanded ed.. 211 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. The Search for Christian America explores key questions raised by the movement asserting the Christian heritage of the U.S. and calling for its recovery. Through careful historical and contemporary analysis, the authors address such issues as: how much Christian action is required to make a whole society Christian; Puritan New England as case study; Christian principles vs. baptised ideology in the Revolutionary period; the stumbling block of incorrect views of America s history for effective Christian involvement in critical public issues; the relationship of Christian convictions to political or social agendas; learning to think historically as a guard against shortsighted or simplistic approaches. Ample footnotes and a bibliographical essay make this volume a helpful reference tool for further study of the Christian nation debate and related issues. Mark A. Noll is Professor of History at Wheaton College. George M. Marsden is Professor of the History at University of Notre Dame. Nathan O. Hatch is President of Wake Forest University.
