Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

(Dr. Kayden Gerlach)

DON'T VOTE IT JUST ENCOURAGES THE BASTARDS

Grove Press, 2011. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Put the country's big, fat political ass on a diet. Lose that drooping deficit. Slim those spreading entitlement programs. Firm up that flabby pair of butt cheeks which are the Senate and the House. Having had a lot of fun with what politicians do, P.J. O'Rourke now has a lot of fun with what we should think about those politicians. Nothing good, to be sure. Best-selling humorist P.J. O'Rourke is back with his latest political masterpiece, *DON'T VOTE IT JUST ENCOURAGES THE BASTARDS*. Using his signature wit and keen observational skills, O'Rourke reflects on his forty year career as a political commentator, spanning his addlepatented hippie youth to his current state of right-wing grouch maturity. Proclaiming his political stance as to the right of Rush Limbaugh, O'Rourke explores ideas ranging from why Americans love freedom and our founding fathers' unique perspective on the pursuit of happiness to the modern application of the Bill of Rights, an odd document of which Americans are inordinately proud, that guarantees our rights to Twitter, kvetch, and prevent the Pentagon from sending Marines to sleep on our fold-out couches. Far from a your high school textbook's survey of United States history, *DON'T VOTE* takes a hysterically sharp look at some of the most important issues Americans face today. O'Rourke explores the basis of our democracy -- the power, freedom, and responsibility that are the "Kill, F@#%, Marry" of liberty and self-rule. O'Rourke favors -- reluctantly, he admits -- responsibility. He goes on to examine the hilarious irresponsibility of America's political establishment on every issue, from the woes of nation-building to the woes of letting the same brilliant politicians rebuild the American automobile industry. Why, he asks, was the...
