John Wiley and Sons Ltd. Paperback. Book Condition: new. BRAND NEW, Inner Wealth: Putting the Heart and Soul Back into Work and Life, Christopher Walker, Innerwealth is an exceptional insight into working with heart and inspiration. By integrating personal development, business development, global change and life mastery into one philosophy, Chris Walker challenges the conventional way of managing our lives. Innerwealth offers a wealth of insights and advice to help us discover and harness our own spirituality and put this into practice in the way we work with others and the way we dream about our careers. This book is about business change through personal change. It is a rebuke at so much of what is being done at present in the name of good business, self help and cultural development. Chris Walker's aim has been to find a way of life which is REAL, non denominational, solves world problems instead of making them and is open and transparent. He achieves this using the universal laws of nature.
