SECOND CORINTHIANS: AN EXPOSITION, WITH PRACTICAL OBSERVATIONS, OF THE SECOND EPISTLE OF ST. PAUL TO THE CORINTHIANS

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Matthew Henry (1662 -1714) was a British Non-Conformist minister and author. Henry s commentaries are primarily exegetical, dealing with the scripture text as presented, with his prime intention being explanation, for practical and devotional purposes. While not being a work of textual research, for which Henry recommended Matthew Poole s Synopsis Criticorum, Henry s Exposition gives the result of a critical account of the original as of his time, with practical application. It was considered sensible and stylish, a commentary for devotional purposes. Famous evangelical Protestant preachers such as George Whitefield and Charles Spurgeon used and heartily commended the work, with Whitefield reading it through four times - the last time on his knees. Spurgeon stated, Every minister ought to read it entirely and carefully through once at least. Perhaps his best-known quotation is about the relationship between men and women, from the story of the creation of Eve, in the Book of Genesis: the woman was made of a rib out of the side of Adam; not made out of his head to rule over him, nor out of his feet to be trampled upon by him, but out of his side to be equal with him, under his arm to be protected, and near his heart to be beloved.
