Createspace, United States, 2015. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Aradia, or The Gospel of the Witches - THE COMPLETE VERSION - Essential reading for those interested in Wicca and Witchcraft - A Classic Publication - For brief explanation I may say that witch craft is known to its votaries as la vecchia religione, or the old religion, of which Diana is the Goddess, her daughter Aradia (or Herodias) the female Messiah, and that this little work sets forth how the latter was born, came down to earth, established witches and witchcraft, and then returned to heaven. With it are given the ceremonies and invocations or incantations to be addressed to Diana and Aradia, the exorcism of Cain, and the spells of the holy-stone, rue, and verbenas, constituting, as the text declares, the regular church-service, so to speak, which is to be chanted or pronounced at the witch-meetings. There are also included the very curious incantations or benedictions of the honey, meal, and salt, or cakes of the witch-supper, which is curiously classical, and evidently a relic of the Roman Mysteries. The work could have been extended ad infinitum by adding to it the ceremonies and incantations which actually form a part of the Scripture of Witchcraft, but as these are nearly all--or at least in great number--to be found in my works entitled Etruscan-Roman Remains and Legends of Florence, I have hesitated to compile such a volume before ascertaining whether there is a sufficiently large number of the public who would buy such a work.
