InterVarsity Press, United States, 2013. Paperback. Book Condition: New. 208 x 140 mm. Language: English . Brand New Book. Merit Award, 2007 Christianity Today Theology/Ethics Book With every earthquake and war, understanding the nature of evil and our response to it becomes more urgent. Evil is no longer the concern just of ministers and theologians but also of politicians and the media. We hear of child abuse, ethnic cleansing, AIDS, torture and terrorism, and rightfully we are shocked. But, N. T. Wright says, we should not be surprised. For too long we have naively believed in the modern idea of human progress. In contrast, postmodern thinkers have rightly argued that evil is real, powerful and important, but they give no real clue as to what we should do about it. In fact, evil is more serious than either our culture or our theology has supposed. How then might Jesus death be the culmination of the Old Testament solution to evil but on a wider and deeper scale than most imagine? Can we possibly envision a world in which we are delivered from evil? How might we work toward such a future through prayer and justice in the present? These are the powerful and pressing themes that N. T. Wright addresses in this book that is at once timely and timeless.
