(Bruno Frey & Werner Pommerehne 1990:vii) Economy and art - for many decades these two fields were considered to be incompatible. But with the genesis of cultural economics the application of economic theories on art became generalizable. Among others Bruno Frey, a Swiss economist, devoted a great deal of his research work to explorer in what way an economic viewpoint and/or the market can be beneficial to art and what effects different instruments have on the arts and on society in general. The first part of this book is giving a short overview of the development and characteristics of Cultural Economy and...
