AUTHORHOUSE, United States, 2011. Paperback. Book Condition: New. 276 x 212 mm. Language: English . Brand New Book ***** Print on Demand *****.Pauline read Jeffery s descriptive poems about living with Parkinson s Disease and agreed to illustrate the work. The poems cover topics such as first diagnosis, followed by a description of the most common symptoms (due to the complexity of the condition, the individual s experience with symptoms can differ widely). There is a section covering therapy and treatments I have experienced received over the last 6 years, with the second half of the book containing a few poems about everyday life hinting at any frustrations experienced, both (physical and emotional) by the author, or one of his Parkinson s acquaintances. The book has been published as a pilot and sold to raise the profile of Parkinson s Disease and funds for his local branch of the charity, Parkinson s UK. It was very well received locally, by people living with the effects of Parkinson s. That is those with the Condition, Family, Carer s and medical staff, who are involved in treating the condition. It gives an interesting incite into some of the aspects of the disease.
