Excerpt: .Nature; and also the perpetual phenomena of the action of intelligent Man upon the world around him-- denies, in a word, the evidences of his senses. He is most false to the logic of true science who falls short of tracing effects thru a line of causation as evident as that by which Will, or Mind, interacts with the material World. Thru this line there is no blank which the logic of deduction is unable to fill, as appears when it is realized that mind is something reacting with something, and not nothing reacting with something to produce a physical effect; which would be as impossible as for materialistic scientists to conceive of Spiritual Ethers and substance. Mediumship and Spiritual manifestations of almost every conceivable nature are now as common as almost any physical phenomena, and those unacquainted with them are simply ignorant. The leaders...
