CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 28 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. Mr. Alden P. Ricks, known in Pacific Coast wholesale lumber and shipping circles as Cappy Ricks, had more troubles than a hen with ducklings. He remarked as much to Mr. Skinner, president and general manager of the Ricks Logging and Lumbering Company, the corporate entity which represented Cappy's vast lumber interests; and he fairly barked the information at Captain Matt Peasley, his son-in-law and also president and manager of the Blue Star Navigation Company, another corporate entity which represented the Ricks interest in the American mercantile marine. Mr. Skinner received this information in silence. He was not related to Cappy Ricks. But Matt Peasley sat down, crossed his legs and matched glares with his mercurial father-in-law. You have troubles! he jeered, with emphasis on the pronoun. Have you got a misery in your back, or is Herbert Hoover the wrong man for Secretary of Commerce? Stow your sarcasm, young feller, Cappy shrilled. You know dad-blamed well it isn't a question of health or politics. It's the fact that in my old age I find myself totally surrounded by the choicest aggregation of mental duds since Ajax defied the lightning. Meaning whom? You and Skinner. Why, what have we done? This item ships from La Vergne, TN. Paperback.
